

21" High Performance Color Monitor

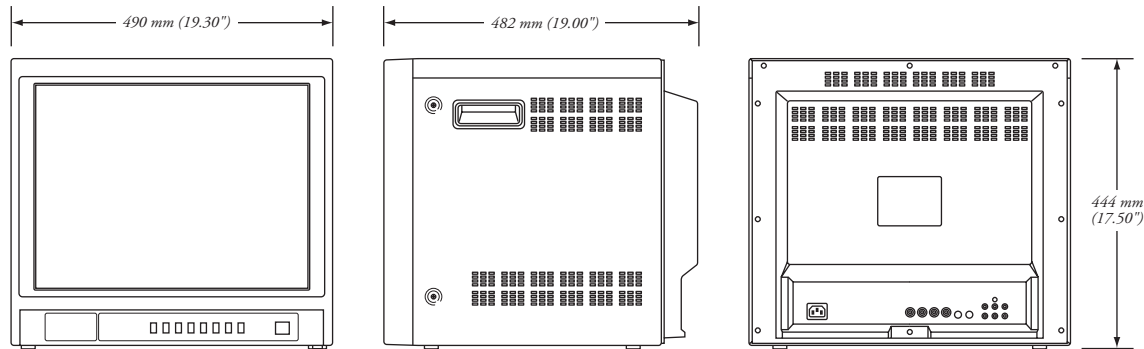

The N221 is a 21" colour monitor that provides crisp, high resolution images with excellent colour reproduction. This monitor can be used in a wide variety of CCTV surveillance applications with features like two video, one S-video and three audio inputs. Its high resolution and large format make it perfect for viewing demanding multiplexer and quad display formats.

Easy to use with convenient up-front controls and auto terminating BNC connectors, all housed in a metal cabinet for rugged reliability.

Features

- *450+ lines resolution*
- *Front panel controls*
- *Implosion protected CRT*
- *Two BNC video inputs (A & B switchable) and one Y/C input*
- *Audio input*
- *Same unit handles NTSC/PAL signal*
- *UL/CSA/FCC/CE approvals*
- *One year warranty*

Technical Specifications
